The photos above are from his first service. We are very thankful to the Lord for providing opportunities for our graduates to minister to the Thai people throughout Thailand.

## Graduates During First Quarter

Sister Philawan had graduated from a four year Trinity Bible college but then came to our Bible School and found the Truth!

**Right:** Our new Graduates Adta, Prasong and Somchai are of Akha ethnicity and are returning to the Akha area of Thailand to minister to their people. They took part in the Akha Revival featured in this Newsletter. **We thank our Partners** for helping to reach the Akha people!
