## Thai Youth Camp - Brother Joseph Competella Ministering

Brother Competella from the Florida Souls Harbor Church ministered every morning and evening with Sister "Thea" Fudala as the interpreter. There was a tremendous outpouring of worship and prayer at every service and many of the 150 attendees received the Holy Ghost, were healed, and baptized! We are thankful the Lord brought this ministry to Thailand!

## Bible School Region - Pastor Anthony Moss Ministering

Pastor Anthony Moss from the North Charleston Apostolic Church (top right) ministered for several days at the Bible School, at a local church, and at Brother and Sister Fudala's house church in Chiang Mai. His ministry blessed everyone!

## SPECIAL EVENTS IN THE NATION OF LAOS RESULTING FROM BIBLE SCHOOL MINISTRY

### Bible School Students from the Nation of Laos

#### LAOS REVIVAL!

The Lord is reaching the nation of Laos by bringing Laotian men to study at the Thailand Bible School!

2016 Graduates

Laos is a communist nation and the only three allowed "Christian" groups are all Trinity in belief. But the Truth is spreading throughout underground house churches with baptisms by our Bible School graduates and students! The man on the far right is a house church pastor studying at our school.

### Current Students

### 3 Laotians Baptized By Bible School Lao Graduates

We are thrilled that the Bible School staff, graduates, and current students are ministering beyond the nation of Thailand. Our Partner donations are reaching souls in areas USA missionaries cannot go, but Thai people can. Thank You Partners for your Love for the Lost throughout the world!
