The Lord Jesus can not be placed under Quarantine or under Curfew !

As in nearly all countries these past three months Thailand has imposed quarantine, curfew, travel restrictions, temperature checks, masks, sanitizing, "Social Distancing", and most importantly, restricting places to congregate, including churches. But the Lord Jesus cannot be restricted by any of man's laws and so His Activity continues unabated. He is "not willing that any should perish" and shown below are some of the ways He continues to save in these times of rapidly changing situations throughout the world.

Bible School - Normal Studies, Worship, Graduations, Fellowship

← **LEFT** Throughout the COVID-19 crisis, the local town mayor allowed the Bible School to continue as normal in all aspects. This was because the school has never allowed any of the students to freely travel outside of the school grounds at any time so there was very little viral risk to the school or surrounding areas. Everyone at the school is always "Quarantined" and "Under Curfew" . . . **except Jesus.**

Local Church Baptisms

↑ **ABOVE** In June seven new believers were baptized in the Name of Jesus in the local church that our students typically minister at!

↓ **BELOW** The Coolbaughs are using their computer to "worship with" the local Pastor's family ministering to their saints via internet.

Worship via Internet

"ZOOM" Ministry

↑ **ABOVE** Using a Bible School photo virtual background on "ZOOM" we ministered to a Oneness Church in England pastored by Mark Hemus, brother of UPCI Missionary John Hemus.

↓ **BELOW** Two of our graduates from Laos are evangelizing a Trinity group with the Truth. This communist country is being evangelized because of our **PARTNERS** supporting the Bible School.

Ministering in Laos
