

# Thailand Bible School Newsletter

"Isaac A. Keyes Memorial Center for Christian Studies"

Second Quarter - 2021 Jack & Michiko Coolbaugh

## Isa 59:1 – "Behold, the Lord's hand is not shortened, that it cannot save"

*This past Quarter has seen the worst level of COVID-19 infections and deaths ever experienced in Thailand. Fear is prevalent among many Thai people and the level of vaccination is very low at present. But **The Lord's Hand Is Not Short to Save** and this Newsletter shows a few examples of that. We at the Bible School and those in our churches continue to be blessed by the Lord throughout these times.*

### The True Church Online →

Although there are strong restrictions about gatherings, here seen live on a monitor are four of our Bible School students ministering through music every Sunday morning to a greatly restricted physical congregation. One of our Bible School graduates from many years ago is the pastor shown ministering online in the Word. He is also one of our three Bible School instructors for the past 16 years.

**The Lord's Hand Is Not Short to Save** and **The True Church** reaches the world!

### ↑ Four New Students . . .

. . . and two now baptized! New students might not be news in normal times but COVID-19 makes it quite difficult to recruit new students. Travel and assembly is restricted, so the school must recruit in special ways (e.g., inset photo showing the posting of advertisements) and also carefully assess that each potential student is very unlikely to have COVID-19 before he/she can come to study. We have had to deny one candidate based on this. But **The Lord's Hand Is Not Short to Save** and He continues to raise up new ministers!

### ← The True Church isn't a Building

About three years ago in the small town of Ban Lad Chumphon in the Province of Chaiyaphum, Thailand a small group of people were brought into the Oneness Faith and became a new church of the United Pentecostal Church of Thailand. There are presently 23 members baptized in the Name of Jesus and 12 have received the Holy Ghost to date. Although the church people are very poor, earning about \$10-\$15 per day, they have saved \$5,000 in three years to purchase this land for a building.

**The Lord's Hand Is Not Short to Save** and so **The True Church** is everywhere in the world.
