

***Our Partner sacrificed to beautify this Akha Church!***

**↑ ABOVE** Even in the midst of the serious issues facing our churches in the USA, loving saints and pastors continue to encourage the Thai people with sacrificial offerings to make their churches more inviting to the lost.

**Thank You For Your Love!**

***A Very Soul-Stirring Honoring of Our Christian Ladies on Mothers Day***

**↑ ABOVE** The local church near the Bible School had a very expressive tribute to our ladies on **Mothers Day**. The ladies sat in a circle while their sons and daughters knelt before them, presented a small gift to their mothers, and then their mothers prayed for them as their children (of all ages) gave honor to their mothers and dedicated themselves to living proper lives. Two of our students came to honor Sister Coolbaugh as a respected "mother" to them. In the photo on the above right we are praying for Daniel, a graduate of ours from many years ago who has no mother and who greatly respects Sister Coolbaugh.

**← LEFT & ABOVE ↑ Annual Thailand Ministers Training Seminar**

This year's seminar was outstanding ministry by the Thai Ministers, added to by our missionary families. At the top are Brother and Sister Fudala, currently Associate Missionaries, and Missionary Jack Coolbaugh. Sister Fudala preached "Renew the Anointing", Brother Fudala taught on "Evangelism" (the tool in his hand signifies work!), and Brother Coolbaugh taught on "Called, Chosen and Faithful", three prime requirements to become a Minister of the Lord. The photo on the left shows the ministers having "Spread The Light To All Others" at the conclusion of a message by the Bible School Dean of Students Duangden Laodee.
