## 2019 Ladies Conference

“Women Of Worth” was the exciting theme for this year’s Ladies Conference with more than 200 ladies present. **Sis. Denee Richardson (left)** from Souls Harbor Church in Florida was the featured speaker who blessed everyone in song, ministry, and with her personal testimony.

**Bro. Jack Coolbaugh (center)**, wearing a key and entwined hearts, ministered that two of a woman’s greatest values are in not leaving her children alone (“latchkey child”) and in creating a loving, peaceful home for her husband and children (“entwined hearts”).

**Bro. Jerry and Sis. Thea Fudala (right)** ministered together and she also ministered separately and provided interpretation during the conference. Thailand is being greatly blessed by the wonderful help given by our **Partners In Missions** making such ministries possible!

(left) 95 “Trinity” Hmong people from the nation of Laos came to a special revival near the Bible School. Five were baptized and at least four received the Holy Ghost. This is “fruit” from the years the Bible School staff and others have been ministering, not only to the people of Thailand, but also to the people of Laos!
