This 21st Annual Thai Ladies Conference was a Greatly Needed Blessing in this Past Year of Difficulty

↑ **ABOVE** This 21st Thai Ladies Conference was unique in that the COVID-19 pandemic made it the first time that we were not able to invite anyone from the USA to come minister to the conference. This year the conference was totally ministered to by local Thai ministers, as well as resident missionaries Brother Coolbaugh and Brother and Sister Fudala shown above. The services were truly outstanding in all respects with the ladies deeply responding to all of the altar calls. This blessing by the Lord was greatly needed in this year of serious health and financial issues nationwide, and He brought Peace and Comfort to all in the conference, including children and youth. **Thank You Jesus!**

Area Christmas Services and Revivals in December were Focused on Jesus

Revival by Bro. Simmons

Above: Bro. Coolbaugh ministers a Christmas Revival Service. The children sang the song "Jesus Loves Me" in English!

Below: Bible School graduates and students help bring Revival. **Lower left:** Six Bible School graduates shown include three pastors (one is also a Bible School teacher), an evangelist, and the Assistant General Superintendent. **Lower right:** Students help many revivals with music ministry. These revivals are benefiting from the donations by you, our Bible School **Partners.**
