From November 19 through 28, the newly opened Bible school in northern Thailand hosted a major training session for all UPC of Thailand ministers. In attendance were 53 licensed UPC ministers, 15 Bible school students, and 9 guests, for a total of 77 attendees that stayed on the Bible school grounds and had their meals here. There were also 11 ladies who provided the daily meals. The subjects taught focused on issues pertinent to the ministry, and the teaching was provided by the seven individuals shown above. In addition, Sister "O" and Sister "Thea" were the translators for the sessions throughout each day and in the evenings. We were all blessed to have such capable, anointed, spirit-led teaching and translation. On behalf of those who were able to attend these sessions, we want to thank our Partners in Missions and the many others that have made this training facility possible, and who are providing funds for the ongoing operation of the school. We also give special thanks to Missionary Robert Frizzell who was the overall coordinator for the session, including the content of the subject matter taught and arranging for the ministers who came to teach.
