

Thailand Bible School Report

October - December 2003 Jack & Michiko Coolbaugh

Our Two Newest Graduates!

Congratulations to both and prayers for their upcoming ministries in central Thailand!

What an exciting past quarter we have had in the school! I have included a calendar of events in the lower right hand corner to summarize the past events, and those that are known to be coming up soon.

It's hard to know whether to be more excited about the fact that we have graduated two more fine young men who will shortly go into full time ministry, or to be more thrilled with the wonderful revival the school was invited to conduct in a rural area of northeastern Thailand.

But first ... the two graduates. Their names are Somrite Tongbun (on the left in photo) and Danien Chaisenau. They have both

completed 144 quarter credit hours of studies, and will be ministering under the tutelage of two of our seasoned ministers.

REVIVAL is NOW! in Thailand, and it is only made possible by your kind support for this school. These two newly graduated ministers are keys for revival in their areas!

Bro. E. J. McDougall (on the right, pastor at Sikeston, MO) teaches our slender students that they must become "FAT" ministers (Faithful, Available, Teachable.)

ASIA NOW! is the new theme chosen in a recent meeting of asia missionaries. And **ASIA NOW!** it was when a pastor in northeastern Thailand invited the school and staff to travel the 500 miles to his location to conduct a revival for several area churches. The focus of the three day revival was the teaching every morning of the basic doctrines. The nature of God, salvation, and holiness were explained in detail. This was the first time most of the attendees fully understood these doctrines, and all came away with a new commitment to live lives pleasing to the Lord. The morning teaching was conducted by Bro. Coolbaugh and our two Thai Bible School teachers. The evening revival services were ministered to by staff and visiting Thai preachers. The school has been asked to conduct further revivals in 2004.
