REVIVAL! In Laos

Our Bible School superintendent is praying for a house filled with praying seekers in the nation of Laos. Revival is taking place in this communist country!

REVIVAL! In Hmong Hill Tribes

In November we were blessed by a revival given for the Hmong Hill Tribe groups in our area by the three California ministers shown in the yellow brackets. Revs. Gee Thao (Stockton), Teng V. Vang (Merced) and T. Paul Vang (Sacramento) held several days of teaching and evangelistic services. The Bible School along with the local churches and some of our Hmong Bible School graduates assisted in this revival. We hope that this can be done again in 2008.
