"... the same commit  
thou to faithful men,  
who shall be able to  
teach others also ..."  
(2Ti 2:2)

Dear Friends of the Thailand Bible School,

*"Take heed to the ministry which thou hast received in the Lord, that thou fulfil it."*

This verse from Colossians 4:17 was the theme of the annual Thai General Conference in February and was especially apropos for the recent graduates of the Thailand Bible School. At this conference, of which there are a few scenes pictured below, eight of our students were honored by receiving both their final certificates of graduation and their General Ministerial Licenses in a short ceremony. Following this conference we have had one more student graduate and receive his license, and now there are nine new, well-trained, knowledgeable ministers newly-appointed and working in varying ministerial capacities on the field in Thailand! Of even greater importance than the level of training, the lives of these new ministers are in accordance with the high station of their calling, and the Lord will be able to use them to good effectiveness in Thailand. We, in the Bible School, are thankful for the support and prayers with which you, our **Partners in Missions**, are blessing this ministerial training.
