Bible School Dedication

February 10, 2004 ... A very special day in the history of the work in the nation of Thailand! On this day the Thailand Bible School was dedicated in memory of a great man of God ... Brother Isaac A. Keyes, now departed from this life.

There will be many Thai people brought into the Kingdom of God because of the help that the Keyes family and many others have brought, and are continuing to bring, to this Bible school that is dedicated to training young men into the ministry.

We in Thailand are so very thankful for all of our **Partners in Missions** that so faithfully give to this revival-orientated work each month. Without your help, we could not be operating this school and bringing forth trained young men like the one in the photo at the far top right.

Heart-felt worship by some of the 220 attendees at the morning-long dedication.

Benjamin Wanna (on the right). He completed his studies in March and is applying to become a licensed minister in the extreme northeast of Thailand.

Here's how . . . And what a ride it was!
