January - March 2006 Jack & Michiko Coolbaugh

It is just breathtaking . . .

. . . to feel how incredibly spacious the brand new partially finished **Cole Tabernacle** seems with 800 people in it!!! This magnificent Christian worship center, largest of its kind in Thailand, held its first UPC of Thailand General Conference in February. For the first time in many years everyone had plenty of space to worship freely, and to accommodate the growth that is taking place in Thailand. We can hardly wait to see the finished tabernacle, scheduled for its dedication in February 2007!

Front of tabernacle, yet to be decorated and sign placed on.

Bro. Jack Cunningham and his Team that came to minister this year in the Cole Tabernacle.

Our two young teachers with the latest arrival at the school . . . their first child, a gift from God in the form of a little boy born March 23. CONGRATULATIONS!!

Our latest graduate in January Bro. Anochao Wanna. Now ministering in his home church!

Luke 14:23 - "Go out into the highways and hedges and compel them to come in . . ."

Every year the Bible School ministers throughout Thailand by sending out this team of ministers (left photo) to travel to our churches advertising the Bible School and it's benefits! They hold revivals in every church (near right photo) and show the slide show (far right) created by Pastor Randy Keyes' church of the history of the Bible School to encourage young men to attend the school and enter the ministry. We are grateful to our Partners for helping fund this ministry. Your sacrifices are making an eternal difference!
