DEPUTATION 2014

The solid red line shows the states visited during our 8,300 mile path traveled during the past four months on deputation. We made many new friends and prayer partners in the 48 churches visited in this time.

FIRST-EVER LAOTIAN STUDENTS!

2013 - 2014

It began with Mrs. Janwei from Laos serving a Bible School graduation dinner and asking us to bring this Gospel to her people in Laos.

Laos Village

Her request resulted in the Bible School Staff evangelizing in Laos for ten years, holding house services, baptizing many converts, bringing young people to the annual Thai Youth Conference (2005 photo), helping hold revivals (2012 photo) and now, blessedly, for the first time ever, four young men have been allowed by the Laos and Thai governments to come study to become ministers to Laos.
