First-Ever Akha Revival!

Because of support from you, our faithful Partners, the Bible School was able to partially build a new "Hill Tribe" church for the Akha people and hold a three-church revival in March! This is the first time such revival has ever been done in the native Akha language for these churches, and **NINE** were baptized as a result. Although the younger Akha people have learned to speak the Thai language in school, the older people are only able to understand the Akha language, so this revival was especially focused to reach this age group before they depart this earth. **THANK YOU** for helping make this possible!

Bro. Sam Gutierrez from the San Diego "The Anchor" Church ministered every evening.

Youth from the communist nation of Laos could come because Bros. Roger Chanpetch and Tony Somsack in the USA gave donations.
