Bible School Staff Visit USA

Bishop James Varnum of the Souls Harbor Church in Belleview, Florida invited our school Dean Bro. Duangden, and Principal Bro. Suwit along with a young lady and the UPC of Thailand Gen. Supt. and his wife to his "Touch the Future" services. This experience will benefit Thailand greatly.

Special Ministry to the Bible School and Area Churches

This past quarter the Bible School and area churches were blessed by the ministry of **Pastor Anthony Moss** from Charleston, WV. Through his ministry there were seven new students baptized and five students received the Baptism of the Holy Ghost! We are very thankful for our many **Partners** helping this school!
