Remember this picture from the last PIM letter? These four acres of prime land have been purchased through the Bible School in Chiang Rai in order to establish a new all-UPC village for the Akha people of Thailand. The photos below show the first house planted on this land and the first house service. Over time there will be many homes built on this property for the Akha Oneness believers!

The Lord blessed the April 2005 Thailand Youth Camp in special ways this year. More than 200 young people traveled to the Chiang Rai area of northern Thailand close to where the Bible School is located. This gave an opportunity for all of the young people to visit the school for the first time, and we expect to increase our enrollment because of this visit.

At the camp 34 were baptized in water in the Name of Jesus and 17 witnessed to receiving the Holy Ghost. And, *for the first time*, because of the recent outreach by the Bible School into the nation of Laos, *we were able to bring five youth from Laos to the Youth Camp*. Four of these youth were baptized at Youth Camp, and two of them received the Baptism of the Holy Ghost! These are the first two from this particular area of Laos to be born again, and they will be a wonderful witness to their home community.

In June Mr. Sutad, a graduate of the Bible School, began duties as a part time teacher in the Bible School. Also, during the past three months, Mr. Tirawoot has completed his studies and will enter the ministry. We are thrilled that the Lord is providing such fine young men to enter the ministry in Thailand.
