Successful Graduates !

11 New Graduates !

Sister Coolbaugh and I are very happy that these past three months have seen such wonderful men graduate – **eight of whom the Bible School converted from the Trinity belief!** These eleven men have completed 144 Quarter Credit hours of course work in the two years they have lived full time at the Bible School, and have proven themselves to be Men of God in the finest sense of the meaning.

*Many Thai people will be saved in the coming years through these graduates **Because of Your Sacrificial Support!** Surely The Lord is Well-Pleased with your love for the Thai people, and we ourselves are greatly encouraged by your joining with us in these difficult times.*

THANK YOU !

Bro. Jonathon Twitero

We at the Bible School were visited by Brother Jonathon Twitero from the Chesapeake, VA Bible World Church whose Senior Pastor is Brother Irving (Jack) Cunningham. This fine young man taught our students for two weeks and preached in area Thai churches. His teaching was very well prepared and expertly taught, and was exactly what was needed for the students. He was a blessing to all of us and we thank him for his sacrifice in coming to be with us.

School Staff Outreach

During the Bible School two week mid-year break in June the Bible School sponsored some of our staff to travel to most of our churches throughout Thailand to encourage outreach through Sunday School and Youth Camp.

(This church is typical of Thai churches and reminds me that the Azusa Street revival started in one like this. Could this be the next "Azusa Street Revival Church" for the nation of Thailand ?)
