Bro. Ed Simmons Ministers to School and Area Churches

Bro. Ed Simmons (on right in upper left photo) was a missionary to Thailand but now is ministering in the Anchor Church in San Diego. He has blessed Thailand once again this past quarter with his ministry as he and Sis. Simmons ministered in several sessions with the students and also with two of our area Thai Churches. We are very thankful they came again to Thailand.

New Graduate Pastoring Bamboo Church

Bro. Adun (Left, Below) graduated a few months ago and is now leading a group of new Christians in their native language. Before next year's rainy season (June-September) we are praying the Lord for funds to replace this bamboo church with a simple roof, walls and floor to keep the rain from coming in.

First Annual Northern District Men's Revival

Bro. Coolbaugh (L) teaching about "Juggling Family, Church and Work Priorities". Bro. Sutat, one of our Bible School teachers, shows Bro. Coolbaugh how it is done! This is the first time a Thai District has held a Men's Revival. We believe this will become a nationwide event similar to the annual Ladies Conference.
