Dear Friends of the Thailand Bible School,

Planted ... Watering ... soon the Increase!

The Planners

The Opening

On September 7 a permanent Bible school was **PLANTED** in the nation of Thailand! This has been a dream and the subject of prayers by the Thai ministry for many years, and now this dream has become a reality. And all of you who have donated in so many ways, and who have prayed for this nation of Thailand, have a part in this work of the Lord, and we want to thank all of you so very much! But the planting is only the first step to the **INCREASE** the Lord intends for Thailand ... now must come the **WATERING** by all of us, with our prayers, our visits to this nation when possible, and through ongoing financial support, especially through pledging support to the Bible school **TRAINING FUND** on a monthly basis. This money goes directly to the support of the Bible school itself and **is our greatest current need.**
