Bible School Holds Revival in Akha Hill Tribe Village

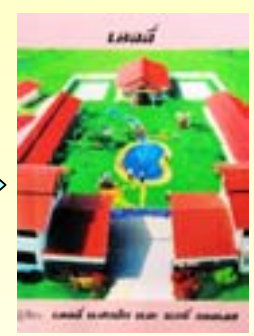

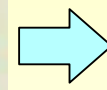

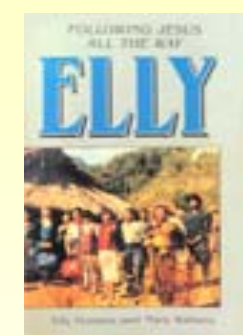

In September the Bible School staff and students traveled up into a mountainous area to hold a two day revival for an Akha Hill Tribe church and village. Many were renewed in the Spirit and came away with a new commitment to live lives pleasing to the Lord, and our students have gained valuable experience in ministering to others. Thailand is in revival! And you, our **Partners In Missions** in the USA, are making this possible. THANK YOU!

Bible School Funds Start Church

After many years, the small struggling congregation in Saraburi has been able to start building a church because of starter funds from the Bible School. The church members are sacrificially donating the rest.

Bible School Translation Update

At long last a portion of the early history of UPC in Thailand is available to the Thai people! This newly completed translation and printing by the Bible School is the story of the late Elly Hanson, a Trinitarian missionary. Bro. Billy Cole converted to the Oneness Faith. She became a UPC missionary to Thailand after Bro. Cole completed his calling to this nation.

Bible School Resumes Teaching in Laos

This former Trinitarian church group became Oneness through the outreach ministry of the Bible School into Laos one year ago. Not long after this the government of Laos put the pastor in jail and closed the church. The Bible School provided means for the pastor to be released from jail and travel to the capital of Laos where he was able to obtain permission to reopen the church.

Now our Bible School ministerial staff are once again able to resume leading this group into the fullness of the Truth by making frequent visits into Laos.

Please pray that this ministry will reach many others in this communist nation where there is very limited freedom of worship.
