2015 UPC of Thailand Ladies Conference

{L-R: Bro. Darrell Sinyard, Sis. "O", Sis. Priscilla Sinyard, Bro. Jack Coolbaugh, Sis. Mary Simmons, Sis. Sudaporn} Bro. and Sis. Sinyard from The Anchor Church in California were the primary speakers at this wonderful annual conference. They brought a powerful ministry, blessing the ladies with their ministry of the Word and music. Sis. "O" interpreted most of the services while I filled in some and taught once. Greatly anointed teaching was provided by Sis. Simmons and Sis. Sudaporn.

Church Remodel Appreciation

Akha Thanks-Giving

Thanks-Giving

The offerings below around the podium were at the Akha "Thanks-Giving" service I ministered to. We have many reasons to be very thankful these past few months including a beautifully remodeled church, training of all of our ministers by Asia Regional Director Lynden Shalm, Missionary Ed Simmons and me. But the highlight was the moving thankfulness shown by the Akha church people. Even though they are very poor they are deeply thankful to worship in!

Interpreters: Sis. Nui, Bro. David
