Oneness Evangelism in the Nation of Laos!

This is the first-ever UPC of Thailand Oneness evangelistic service in this existing Trinity church in the nation of Laos! The photo above (L-R) shows the church pastor, our four recent Bible School graduates from this church and our UPC Bible School Superintendent Bro. Duangden Laodee.

New Korat Church - 100 in Christmas Service!

This new house church was started in August with two of our recent Bible School graduates and sponsored by Brother John and Sister Nui Hartle along with donations from the **UPC of Japan**. It began with about 5 new attendees, but there were about 100 visitors to the Christmas services Saturday night and Sunday morning, including the children. We are praying that many of these that experienced a Christian service for the first time will be led to salvation!

Training Thai Ministers

The annual training of all UPC of Thailand ministers this year was especially blessed by the ministry of Asia Regional Director Lynden Shalm (left). Brother David Pondee, head instructor at the Bible School, and Sister Nui Hartle provided interpretation for Brother Shalm.
